

Borrow responsibly

We encourage students and families to start with savings, grants, scholarships, and federal student loans to pay for college. Students and families should evaluate all anticipated monthly loan payments, and how much the student expects to earn in the future, before considering a private student loan.

Smart Option Student Loan for Undergraduate Students and Sallie Mae Graduate Loans for graduate students: This information is for borrowers attending degree-granting institutions only. Smart Option Student Loan information is for undergraduate borrowers only. You must be attending a participating school located in the U.S. or have attended one during an eligible prior enrollment period. You must be a U.S. citizen or a permanent resident or a Non-U.S. citizen borrower with a creditworthy cosigner (who must be a U.S. citizen or permanent resident) and required U.S. Citizenship and Immigration Service (USCIS) documentation. U.S. citizens and permanent residents enrolled in eligible study abroad programs or who are attending or have attended schools located outside the U.S. are also eligible. For the Dental School Loan, Law School Loan, MBA Loan, and Medical School Loan, students must be enrolling in a graduate-level degree program in a field of study that is eligible for the loan and Graduate Certificate/Continuing Education coursework is not eligible. Applications are subject to a requested minimum loan amount of \$1,000. Current credit and other eligibility criteria apply.

Parent Loan: This information is for borrowers with students attending degree-granting institutions only. The student is not eligible to be a borrower or cosigner and must be attending or have attended a participating school during an eligible prior enrollment period, or be enrolled in an eligible study abroad program. The borrower, cosigner and student must be U.S. citizens or permanent residents. The school may refund loan funds directly to the student, and if that occurs, borrower and cosigner (if applicable) would still be responsible for repaying that amount to Sallie Mae. Applications are subject to a requested minimum loan amount of \$1,000. Current credit and other eligibility criteria apply.

1 Sallie Mae reserves the right to approve a lower loan amount than the school-certified amount.

2 Although we do not charge you a penalty or fee if you prepay your loan, any prepayment will be applied as provided in your promissory note: First to Unpaid Fees and costs, then to Unpaid Interest, and then to Current Principal.

3 Borrower or cosigner must enroll in auto debit through Sallie Mae. The rate reduction benefit applies only during active repayment for as long as the Current Amount Due or Designated Amount is successfully withdrawn from the authorized bank account each month, and may therefore be suspended during a forbearance or deferment period.

4 Borrowers and cosigners who have an available FICO® Score and a Sallie Mae loan with a current balance greater than \$0, may receive their score quarterly after the first disbursement of their loan. The FICO® Score provided to you is the FICO® Score 8 based on TransUnion data, and is the same score that Sallie Mae uses, along with other information, to manage your account. FICO® Scores and associated educational content are provided solely for your own non-commercial personal review, use and benefit. This benefit may change or end in the future. FICO® is a registered trademark of the Fair Isaac Corporation in the United States and other countries.

5 Interest rates for Fixed and Deferred Repayment Options are higher than interest rates for the Interest Repayment Option. You're charged interest and your selected repayment option applies starting at disbursement, while in school and during your separation or grace period. When you enter principal and interest repayment, Unpaid Interest will be added to your loan's Current Principal. Variable rates may increase over the life of the loan.

6 Only the borrower may apply for cosigner release. Borrowers who meet the age of majority in their state may apply for cosigner release by providing proof of graduation (or completion of certification program), income, and U.S. citizenship or permanent residency (if your status has changed since you applied). In the last 12 months, the borrower must be current on all Sallie Mae serviced loans (including no hardship forbearances or modified repayment programs) and have paid ahead or made 12 on-time principal and interest payments on each loan requested for release. When the cosigner release application is processed, the borrower must demonstrate the ability to assume full responsibility of the loan(s) individually, and pass a credit review that demonstrates a satisfactory credit history including but not limited to no: open bankruptcy, open foreclosure, student loan(s) in default or 90 day delinquencies in the last 24 months. Requirements are subject to change. Shortest cosigner release is based on a 09/30/2018 review of competitors' loan programs and repayment features.

7 Available for loans used to pay qualified higher education expenses at a degree-granting institution. Graduated Repayment Period (GRP) allows interest-only payments for 12 billing periods after principal and interest repayment begins. At the time of GRP request, the loan must be current (not past due). Customers may request GRP during the six billing periods before and the 12 billing periods immediately after the loan first enters principal and interest repayment. GRP does not extend the loan term. GRP increases the Total Loan Cost and monthly payments after the GRP will be higher than they would have been without it.

Explore federal loans and compare to ensure you understand the terms and features. Sallie Mae Loans that have variable rates can go up over the life of the loan. Federal student loans are required by law to provide a range of flexible repayment options, including, but not limited to, income-based repayment and income-contingent repayment plans, and loan forgiveness and deferment benefits, which other student loans are not required to provide. Federal loans generally have origination fees, but are available to students regardless of income.

These loans are made by Sallie Mae Bank or a lender partner. The Sallie Mae partner referenced is not the creditor for these loans and is compensated by Sallie Mae for the referral of loan customers.

For allied health, nursing, pharmacy, and other graduate-level health studies

MBA Loan

For your business school expenses as you pursue your Masters of Business Administration

Graduate School Loan

For your expenses as you pursue your master's, doctoral, and professional degrees

Law School Loan

For your expenses as you pursue your law degree

A cosigner may help student borrowers qualify

A parent or other creditworthy individual can help you increase your chances of having your Smart Option Student Loan approved. They can make the investment in your education more manageable and allow you to focus on what's important—successfully completing your degree.

Cosigning doesn't need to be a lifetime commitment for student borrowers. Sallie Mae has the shortest cosigner release qualification period in the industry. Smart Option Student Loan and graduate loan borrowers may apply to release their cosigner from the loan after they graduate, make 12 on-time, principal and interest payments, and meet certain credit requirements.⁶

Manage your student loan after leaving school

If you're looking for payment flexibility as you transition to your career, the Graduated Repayment Period can help. Qualified Smart Option Student Loan and graduate loan borrowers can elect to make 12 monthly interest-only payments after they finish school.⁷
