1. ANNUAL PERCENTAGE RATE (APR)

Your Annual Percentage Rate (APR) may differ based on credit history, credit worthiness, collateral year, term of loan, loan to value (LTV), and fees that may constitute finance charges. Not all applicants will qualify for the lowest rate. Share and Share Certificate secured loans and other flat rate loans are not subject to managed risk pricing. Your actual APR will be included in the initial Truth in Lending (TIL) disclosure. Rates are subject to change without notice.

Payment Example: For a loan amount of \$5,000.00 with an Annual Percentage Rate (APR) of 9.49% over a term of 12 months, the estimated monthly payment would be \$438.40.

RATE DISCOUNTS & FLOOR RATES:

The Consumer Secured Floor Rate is 1.99% APR, and the Consumer Unsecured Floor Rate is 3.99% APR. The credit union may offer loan discounts; however, certain discounts may not be applied if they cause the final rate to fall below the current floor rates. To learn more about the discounts available, speak to a credit union representative.

COLLECTION COSTS:

You agree to pay all costs of collecting the amount you owe under this agreement including court and attorney fees not of the unpaid debt or as allowed under applicable laws.

LATE CHARGE (LOANS):

If your loan payment is TEN (10) or more days late you promise to pay a late charge of 5.00% of the payment due, or \$10, whichever is greater.

ANCILLARY PRODUCTS:

The credit union is partnered with TruStage™, to offer optional ancillary products, including Debt Protection. The purchase of ancillary products is voluntary, is not required for loan approval, and does not affect loan terms or pricing. For more information, please speak with a credit union representative.

LOAN (Sub Account) Type:

PERSONAL LOAN

The Personal Loan is a closed- end, unsecured loan that allows the borrower to use funds for a variety of purposes. Applicants consolidating debt will need to add 1.00%, above the base Personal Loan rate, not to exceed a maximum APR of 17.99%.

SIGNATURE REMODELER LOAN

The Signature Remodeler loan is available to homeowners who have established mortgage experience for a minimum of 18 months, have no 30- day late payments on mortgage tradelines within the past 18 months, nor is encumbered by delinquent taxes, judgments, or liens. The applicable APR for this loan is based upon both the applicant's credit score (FICO or similar) and the loan term.

SMART-E/CT GREEN BANK LOANS

The credit union is partnered with the Connecticut Green Bank to offer Smart- E Loans. To qualify for a Smart- E Loan, your home must be located in Connecticut, be owner occupied, and be a residential building with one (1) to four (4) units. If the building is a condominium, it must have individual meters. Eligibility is determined by various factors, including credit score and debt to income (DTI). The Connecticut Green Bank may require a Home Energy Assessment for qualifications on certain improvements. Loans are subject to credit approval. Rates, terms, and conditions may change without notice and can vary based on qualifications and creditworthiness.

If approved, the credit union will disburse the first of three installments (one-third) to the contractor. Following this initial payment, the Connecticut Green Bank will inform the credit union when the subsequent funds can be released to the contractor. For more information, talk to a credit union representative.

MONEY LINE OF CREDIT

The Money Line of Credit is an open- end credit product that allows the borrower to access available funds up to an approved credit limit, subject to terms of the account agreement. The applicable APR for this loan is determined by the borrower's credit worthiness, including credit score and other underwriting factors.

If approved, the credit union reserves the right to increase, decrease, suspend, or terminate the borrower's credit limit based on account performance, repayment history, change in credit worthiness, and the result of periodic internal account reviews, as outlined in the borrower's Line of Credit Agreement and Disclosure contract.

CREDIT BUILDER LOAN

The Credit Builder loan is designed to help members establish or rebuild positive consumer credit history. All loans are subject to credit approval, and approval is not guaranteed. Eligibility will be determined based on the applicant's ability to meet the underwriting and qualification requirements.

The loan requirements are as follows:

1. Membership with the Credit Union for a minimum of ninety (90) days.
2. Maintain active employment and an existing direct deposit relationship for a minimum of ninety (90) days. The direct deposit amount must meet or exceed the monthly loan obligation.
3. All accounts with the credit union must be in good standing, with no negative balances or past due loan payments.
4. If approved, fifty percent (50%) of the loan proceeds will be disbursed to the borrower at loan closing. The remaining fifty percent (50%) will be deposited into the borrower's deposit account and will not be accessible until the loan is paid in full.

The credit union does not guarantee any improvements to your credit score. Credit score outcomes depend on individual credit history, payment behavior, and other factors. Missing minimum monthly payments on this or any other loan may result in delinquent reporting to consumer reporting agencies, which could negatively impact your score. This product will not remove existing negative information from your credit report. Repayment of a Credit Builder Loan does not guarantee approval for future credit. All lending decisions are based on the applicant's creditworthiness and qualifications at the time of application.

Payment Example: For a loan amount of \$5,000 with an Annual Percentage Rate (APR) of 7.99% over a term of 12 months, the estimated monthly payment would be \$434.90.

The \$20.00 non-refundable application fee is waived for all borrowers covered under the Military Lending Act (MLA).
