1. ANNUAL PERCENTAGE RATE (APR):

Your Annual Percentage Rate (APR) may differ based on credit history, credit worthiness, collateral year, term of loan, loan to value (LTV), and fees that may constitute finance charges. Not all applicants will qualify for the lowest rate. Your actual APR will be included in the initial Truth in Lending (TIL) disclosure. Rates are subject to change without notice.

Auto Loan Payment Example: For a loan amount of \$25,000.00 with an Annual Percentage Rate (APR) of 5.49% over a term of 66 months, the estimated monthly payment would be \$439.71.

Motorcycle & Power Sports Payment Example: For a loan amount of \$25,000.00 with an Annual Percentage Rate (APR) of 7.49% over a term of 66 months, the estimated monthly payment would be \$463.31.

Recreational Vehicle Payment Example: For a loan amount of \$25,000.00 with an Annual Percentage Rate (APR) of 7.99% over a term of 72 months, the estimated monthly payment would be \$438.21

MINIMUM AMOUNT FINANCED & LOAN TERMS (MONTHS):

Minimum Amount Financed: The minimum amount financed for new and used vehicles including automobiles, motorcycles, powersport vehicles, recreational vehicles, trailers, and boats, is \$5,000.

Loan Terms (Months): Longer loan terms may be available based on collateral type and creditworthiness. Please contact a credit union representative for additional information.

VENDORS SINGLE INTEREST (VSI) INSURANCE:

Vendors Single Interest (VSI) Insurance is required on all secured, collateralized loans. VSI insurance protects the credit union's interest in the collateral and does not protect the borrower's interest in the collateral. Borrower's may obtain VSI coverage through a provider of their choice, subject to proof of coverage and credit union approval. If VSI insurance is obtained through the credit union, the cost is determined by the insurance service provider.

ANCILLARY PRODUCTS:

CorePlus Credit Union is partnered with TruStage™ to offer optional ancillary products, including Mechanical Repair Coverage (MRC), GAP Plus with Deductible Assistance, and Debt Protection for eligible secured loans. The purchase of ancillary products is entirely voluntary, and not a condition of the loan approval.

ELIGIBLE LENDING AREA:

The credit union limits our lending activity to specific states to ensure effective loan servicing, collection, and recovery processes. This limitation applies only to secured collateral loans, such as automobiles, motorcycles, powersport vehicles, and recreational vehicles.

The eligible lending area includes Connecticut (CT), Rhode Island (RI), Massachusetts (MA), New Hampshire (NH), Vermont (VT), Maine (ME), New York (NY), Pennsylvania (PA), and Florida (FL).

LEASE BUY OUT AND PRIVATE PURCHASE LOAN:

The Credit Union does not offer financing for private party purchases, lease buyouts, or the purchase of automobiles, motorcycles, power sports vehicles, or recreational vehicles through private party transactions.

RECREATIONAL VEHICLE COLLATERAL EXCLUSIONS:

The Recreation Vehicle (RV) lending program excludes park models, truck campers, pop-up campers, roof top campers, and bus or van conversion.
